Welcome...

...to the first edition of Haas Gateway. This regular publication is focused on providing our valued customers with the latest news and information from Haas and our markets. We will be including articles from industry experts and manufacturers, along with editorials on supply chain solutions. There might even be a few opportunities to win prizes!

For more information please contact:
marketing@haasgroupintl.com

CHILDREN IN NEED

Haas staff dressed up in onesies and pyjamas to raise money for Children In Need.

In addition to the dressing up, staff also baked cakes and had a cake sale. Together we managed to raise a total of 450.00 for Children In Need. **Well done all!**

Cargo Liners from Haas

Haas stock and distribute the complete range of Conolite cargo liners, which have been developed to meet or exceed FAA and all major manufacturers' requirements for

Haas Metals Division

Haas has continued to expand its metal division securing a number of high profile integrated metal supply contracts during 2013. The metals division is headed up by Dave Reid who provides expert advice and technical support on all aspects of metal purchases along with competitive pricing and high availability of products. This combination enables Haas to provide a truly exceptional service to all of our customers.
